PUBLIC REPRESENTATIVE COMMENTS ON  
POSTAL SERVICE REQUEST TO ADD  
PRIORITY MAIL CONTRACT 107 TO  
COMPETITIVE PRODUCT LIST

(February 11, 2015)

The Public Representative hereby provides comments pursuant to Order No. 2345.<sup>1</sup> In that Order, the Commission established the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on a Postal Service Request to add Priority Mail Contract 107 to the competitive product list.<sup>2</sup>

The Postal Service's Request includes a Statement of Supporting Justification (Statement), a certification of compliance with 39 U.S.C. § 3633(a), a public (redacted) version of Governor's Decision No. 11-6 and related analysis, a public version of Priority Mail shipping services Contract 107, and proposed changes to the Mail Classification Schedule competitive product list with the additions underlined. The Postal Service also filed under seal an unredacted version of Governor's Decision No. 11-6 and Contract 107, and supporting financial data estimating the contract value during the first year.

<sup>1</sup> PRC Order No. 2345, Notice and Order Concerning the Addition of Priority Mail Contract 107 to the Competitive Product List, February 4, 2015 (Notice).

<sup>2</sup> Request of the United States Postal Service to Add Priority Mail Contract 107 to the Competitive Product List and Notice of Filing (Under Seal) of Unredacted Governors' Decision, Contract, and Supporting Data, January 30, 2015 (Request).

The Postal Service states that Priority Mail Contract 107 is a competitive product featuring prices “not of general applicability” within the meaning of 39 U.S.C. § 3632(b)(3). Request at 1. The Postal Service also maintains that the classification and prices applicable to Contract 107 are authorized by Governors’ Decision No. 11-6.<sup>3</sup> The Postal Service further asserts that the Statement of Supporting Justification (Statement) provides support for adding Contract 107 to the competitive product list and the compliance of Contract 107 with 39 U.S.C. § 3633(a). Request at 2; *Id.*, Attachment D.

The effective date for Contract 107 is one business day following the day on which the Commission issues all necessary regulatory approvals. Request, Attachment B at 4 (Article II). The contract will expire 3 years from the effective date unless either party terminates the contract on 30 days’ prior written notification, or other specific events. *Id.*, Attachment B at 4 (Article III).

## COMMENTS

The Public Representative has reviewed the Postal Service’s Request, the Statement of Supporting Justification, as well as Contract 107 and the financial data filed under seal with the Postal Service’s Request. Based upon that review, the Public Representative concludes that Priority Mail Contract 107 should be classified as a competitive product and added to the competitive product list. In addition, it appears that Contract 107 should generate sufficient revenues to cover costs during the first year and thereby satisfy 39 U.S.C. § 3633(a).

*Product List Assignment.* Pursuant to 39 U.S.C. § 3642, the Postal Service requests that Priority Mail Contract 107 be added to the competitive product list. 39 U.S.C. § 3642 requires the Commission to consider whether “the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar

products.” 39 U.S.C. § 3642(b)(1). Products over which the Postal Service exercises such power are categorized as market dominant while all others are categorized as competitive.

The Statement of Supporting Justification makes a number of assertions that address the considerations of section 3642(b)(1). Request, Attachment D at 2-3. These assertions appear reasonable. Based upon the Statement, the Public Representative concludes that the Postal Service’s Request to add Priority Mail Contract 107 to the competitive product list is appropriate.

*Requirements of 39 U.S.C. § 3633.* Pursuant to 39 U.S.C. § 3633(a), the Postal Service’s competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial data, the negotiated prices for Contract 107 should generate sufficient revenues to cover costs during the first year of the contract and therefore meet the requirements of 39 U.S.C. § 3633(a).

As indicated above, Contract 107 is expected to remain in effect for a period of three years. During this period, the contract includes a mechanism for the adjustment of prices to improve the likelihood that Contract 107 meets the requirements of 39 U.S.C. § 3633(a) over its lifetime. The price adjustments are linked to the most recent average increase in prices of general applicability for Priority Mail Commercial Plus. However, if the Postal Service does not seek a price adjustment, or proposes a decrease in generally applicable prices for Commercial Plus, the cost coverage for Contract 107 would decline—assuming costs rise over the three-year period.

This concern is mitigated somewhat by the fact that the Postal Service must file revenue and cost data for Contract 107 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Priority Mail Contract 107 in its Annual Compliance Determination (ACD) reports for compliance with 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
